

SMART SMILES PLAN

The Coverage you Need, Today

"I've been going there for over 30year. Dr Gina is the best in Arizona. Without a doubt! As a matter of fact my whole family enjoys going there! She's the best of the best! Nothing but great love for the team! Always up front. So do the right thing and check her out, you can't go wrong!"

-KJ

At Paradise Valley Family Dental, we want to bring affordable, quality dental care to the area. Our non-insured patients have the option to join our in-house membership plan to take care of all their preventative oral health needs, affordably. We also offer discounts to members for other select services.

BENEFITS

- No deductible
- No pre-authorization
- No wondering what insurance will pay
- No waiting periods
- Two basic cleanings per year
- Discounted dental fees
- Cosmetic dentistry included
- Additional periodontal plans available

- No Annual Maximums.
- No Waiting Period or Eligibility Periods for Major Treatment.
- No Missing Tooth Clause Restrictions or Exclusions.
- Annual Enrollment Fee for each family member is non-refundable.
- Annual Enrollment Fees are due at time of enrollment.
- Plan Effective Date is the date when the Enrollment Fee is paid in full.
- Plans will only remain active if all treatment is PAID IN FULL at the time of service.
- Participation cannot be combined with any other offer or dental plan.
- All fees shall be based on our practice's UCR fees and not any other dental plan's fees.
- Due to administration fees, additional 5% full payment courtesy will not be applied to procedures paid through Care Credit, Compassionate Finance, or Lending Club or any other 3rd party financing.
- For an emergency appointment, only examination and radiograph are covered.
- Patient is responsible for any other dental work completed during the appointment.
- If a patient is diagnosed with periodontal disease, they are not eligible for the Preventative Plans.
- If during the course of the plan year, the patient is diagnosed with periodontal disease, the plan will be prorated towards the Periodontal Health Plan. Patient will be responsible for the difference.
- Smart Smiles Plan is only accepted at Paradise Valley Family Dental, therefore if the patient is referred to another office or specialist, benefits will not carry over.
- Smart Smiles Plan discount not applied towards products (i.e. whitening, electronic toothbrushes, arestin, etc)
- Child Preventive Plan for patients aged 3-13 years of age.
